“ I remember the first time I met Donna. I was 16 and I had just moved in next door. I admired her yard she had such pretty flowers. I decided to try and brighten my yard up since hers always looked so nice. I was sitting on a bucket 6 mths pregnant with my 1st daughter and I heard Donna say you want some help and there became what would be a long friendship that lasted over the years. I was so sad when we moved to diff neighborhood she was the best neighbor she loved our daughter Katelyn like she was her own granddaughter she would always come knocking at our door with recess peanut butter cups for her. Gonna miss you Donnajene thank you for all the long talks over the years and for being an amazing friend. Prayers to the family.

“ Donajene was such a nice lady and a wonderful neighbor. Her son, Steve, and her took great pride in keeping her home and yard beautiful. She loved her flowers and oh boy, did she love her dogs! We were sad when she lost Steve so early in his life. We are also very sad that she is gone. Sincere condolences to her family. May she Rest in Peace.
